

Concrete kitchen

Exhibiting for the first time at Eurocucina, steininger.designers are showcasing their Concrete kitchen. The hard wearing nature of concrete makes it ideal for kitchens, offering durable heat resistant surfaces while also being hygienic and easy to maintain.

Disappearing extractor

The new flagship model among wall decor hoods, the Miele DA 6000 W, is a past master at stepping back at the right moment, disappearing into the wall when not in use. When switched on, the canopy opens automatically.

Professional cooking

Gaggenau presented two new fully electronic gas cooktops on its Vario 400 series. They deliver a host of new features ranging from large, front-mounted control knobs over a simmer setting to a 6000-watt power level for the gas wok fuelled by natural gas.
